

Project H.Y.P.E

(Honoring Youths' Personal Expression)

Project HYPE is an ongoing “drop-in” art program designed to help those who are already artists, those who are interested in becoming artists and those that just want to learn about art as a means of positive self expression. Project HYPE provides the supplies and you provide the creativity! Art supplies are now available on an ongoing basis during The Hub’s operational hours—just ask staff for assistance!

If you’d like to see what the HYPE Movement is all about, stop by The Hub and check out the murals that are currently being displayed as well as all the artwork in the main space!

That means, if you participate, your artwork can be around, literally, forever!

To be eligible for Project HYPE you must be eligible for Hub services.

Want more info? Call The Hub @ (408) 792-1750 or Briana Saldivar @ (408) 792-1753
